# 2. Objective/ Necessity of the Buyback

- 2.1. The Company has accumulated free reserves and satisfactory liquidity as represented by its bank balances and marketable securities. The future generation of cash along with borrowings, if any, will support the resources required for investments and other operational requirements of the Company in the coming years. The Buyback provides an opportunity to the Company to return excess cash to the Eligible Shareholders and to enhance overall shareholders' value. The Board at its meeting held on December 23, 2019, considered the accumulated free reserves as well as the cash liquidity reflected in the audited financial statements for the financial year ending March 31, 2019 and as such, the Board decided to allocate a sum of INR 3,37,46,00,250/- (Rupees Three Hundred Thirty Seven Crores Forty Six Lakhs and Two Hundred Fifty only) for distribution to the Eligible Shareholders through the Buyback.
- 2.2. After considering several factors and benefits to the Eligible Shareholders, the Board decided to recommend the Buyback of up to 19,56,290 (Nineteen Lakhs Fifty Six Thousand Two Hundred Ninety Only) Equity Shares (representing 3.13% of the total number of Equity Shares) at a price of Rs. 1,725/- (Rupees One Thousand Seven Hundred and Twenty Five only) per Equity Share for an aggregate consideration not exceeding INR 3,37,46,00,250/- (Rupees Three Hundred Thirty Seven Crores Forty Six Lakhs and Two Hundred Fifty only). Through the Buyback, the Company intends to return surplus funds to the Eligible Shareholders, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, efficient and cost effective manner. Additionally, the Company's management strives to increase shareholders' value and the Buyback would inter-alia result in:
  - 2.2.1. Improving the return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value.
  - 2.2.2. Helping the Company to distribute surplus cash to its Eligible Shareholders, broadly in proportion to their shareholding, thereby, enhancing the overall return to the Eligible Shareholders.
  - 2.2.3. Provides an option to the Eligible Shareholders to either (i) participate and receive cash payments in lieu of Equity Shares to be accepted under the Buyback, or (ii) not participate and enjoy a resultant increase in their percentage shareholding in the Company, after the Buyback, without any additional investment.
  - 2.2.4. The Buyback, which is being implemented through the tender offer method as prescribed under the Buyback Regulations and SEBI Circulars, would involve an allocation of 15% of the Equity Shares that the Company proposes to Buyback to Small Shareholders (as defined below).
- Maximum amount required for Buyback and its percentage of the total paid-up capital and free reserves and sources of funds from which the Buyback would be financed.
- 3.1. The maximum amount required for Buyback will not exceed INR 3,37,46,00,250/- (Rupees Three Hundred Thirty Seven Crores Forty Six Lakhs and Two Hundred Fifty only) excluding the transaction costs viz. brokerage, applicable taxes such as securities transaction tax, goods and service tax, stamp duty, etc. which represents 20.23% and 15.66% of the aggregate paid-up share capital and free reserves as per the audited standalone and consolidated financial statements of the Company respectively, for the financial year ended March 31, 2019, which is within the prescribed limit of 25%.
- 3.2. The funds for the implementation of Buyback will be sourced out of the free reserves and/or such other sources as may be permitted by the Buyback Regulations or the Act. The funds used will not exceed 25% of the paid-up share capital and free reserves of the Company on a standalone and consolidated basis as on March 31, 2019. The Company shall transfer from its free reserves, a sum equal to the nominal value of the Equity Shares so bought back to the capital redemption reserve account, and details of such transfer shall be disclosed in its subsequent audited financial statements. The funds borrowed, if any, from banks and financial institutions will not be used for the Buyback.
- Maximum price and the maximum number of securities that the Company proposes to Buyback and basis
  of arriving at the Buyback Offer Price
- 4.1. The Company proposes to buyback up to 19,56,290 (Nineteen Lakhs Fifty Six Thousand Two Hundred Ninety Only) Equity Shares representing up to 3.13% of the total issued and paid-up Equity Share capital of the Company.
- 4.2. The Equity Shares of the Company are proposed to be bought back at the Buyback Offer Price of Rs. 1,725/-(Rupees One Thousand Seven Hundred and Twenty Five only) per Equity Share. The Buyback Offer Price has been arrived at after considering various factors including, but not limited to the trends in the volume weighted average prices of the Equity Shares on the Stock Exchanges, the net worth of the Company, price earnings ratio and impact on other financial parameters and the possible impact of Buyback on the earnings per share.
- 4.3. The Buyback Offer Price represents;
  - (i) premium of 17.11% and 17.08% over the closing price of the Equity Shares on the BSE and NSE,

- 6.4. The Buyback will not result in any benefit to the Promoter or any directors of the Company except to the extent of the cash consideration received by them from the Company, pursuant to the respective participation in the Buyback in their capacity as Equity Shareholders of the Company, and the change in their shareholding as per the response received in the Buyback, as a result of the extinguishment of Equity Shares which will lead to reduction in the Equity Share capital of the Company post the Buyback.
- Confirmations from the Company as per the provisions of the Buyback Regulations and the Companies Act
- 7.1. All the Equity Shares for Buyback are fully paid-up;
- 7.2. The Company, as per provisions of Section 68(8) of the Companies Act, shall not make further issue of the same kind of Equity Shares within a period of 6 (six) months after the completion of the Buyback except by way of bonus shares or Equity Shares issued to discharge subsisting obligations such as conversion of warrants, stock option schemes, sweat equity or conversion of preference shares or debentures into Equity Shares;
- The Company shall not raise further capital for a period of 1 (one) year from the closure of the Buyback, except in discharge of subsisting obligations;

- 7.9. That funds borrowed from banks and financial institutions will not be used for the Buyback;
- 7.10. The aggregate amount of the Buyback i.e. INR 337,46,00,250/- does not exceed 25% of the total paid-up share capital and free reserves of the Company as on March 31, 2019 on a standalone and consolidated basis;
- The maximum number of Equity Shares proposed to be purchased under the Buyback (up to 19,56,290 Equity Shares), does not exceed 25% of the paid-up Equity Share capital as per the audited standalone balance sheet as on March 31, 2019;

10.	<b>Record Date and Shareh</b>	older Entitlement	

- 10.1. As required under the Buyback Regulations, the Company has fixed the Record Date (i.e., March 12, 2020) for the purpose of determining the entitlement and the names of the Eligible Shareholders who will be eligible to participate in the Buyback.
- 10.2. The Equity Shares proposed to be bought back by the Company shall be divided into two categories; (i) reserved category for Small Shareholders and (ii) the general category for all other Eligible Shareholders.
- 10.3. As defined under the Buyback Regulations, a "Small Shareholder" is an Eligible Shareholder who holds Equity Shares having market value, on the basis of closing price on BSE or NSE, on which the highest trading volume in respect of the Equity Shares on the Record Date was recorded, of not more than Rs. 2,00,000 (Rupees Two Lakh only).
- 10.4. In accordance with proviso to Regulation 6 of the Buyback Regulations, fifteen percent of the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled as per the shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- 10.5. On the basis of the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including Small Shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback.

- 10.6. In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (small shareholder or general) and entitlement under the Buyback. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders' holding physical shares, where the sequence of PAN is identical and where the PANs of all joint shareholders are not available, the registrar to the Buyback ("Registrar to the Buyback") will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, pension funds/trusts, etc. with common PAN will not be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes and have a different demat. account nomenclature based on information prepared by the registrar and transfer agent as per the shareholder records received from the depositories.
- 10.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- 10.8. The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback
- 10.9. The maximum tender under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.
- 10.10. The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations.
- 10.11. Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on Record Date.
- 11. Process and Methodology to be Adopted for the Buyback
- 11.1. The Buyback is open to all Eligible Shareholders / beneficial owners of the Company holding Equity Shares in dematerialized form as on the Record Date.
- 11.2. - 10.6. In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (small shareholder or general) and entitlement under the Buyback. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders' holding physical shares, where the sequence of PAN is identical and where the PANs of all joint shareholders are not available, the registrar to the Buyback ("Registrar to the Buyback") will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, pension funds/trusts, etc. with common PAN will not be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent as per the shareholder records received from the depositories.
- 10.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- 10.8. The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. The funds used will not exceed 25% of the paid-up share capital and free reserves of the Company on a standalone and consolidated basis as on March 31, 2019. The Company shall transfer from its free reserves, a sum equal to the nominal value of the Equity Shares so bought back to the capital redemption reserve account, and details of such transfer shall be disclosed in its subsequent audited financial statements.
